

*Whereas,* In 1872, J. Sterling Morton proposed to the Nebraska Board of Agriculture that a special day be set aside for the planting of trees, and

*Whereas,* this holiday, called Arbor Day, was first observed with the planting of more than a million trees in Nebraska, and

*Whereas,* Arbor Day is now observed throughout the nation and the world, and

*Whereas,* trees can reduce the erosion of our precious topsoil by wind and water, cut heating and cooling costs, moderate the temperature, clean the air, produce life-giving oxygen, and provide habitat for wildlife, and

*Whereas,* trees are a renewable resource giving us paper, wood for our homes, fuel for our fires and countless other wood products, and

*Whereas,* trees in our city increase property values, enhance the economic vitality of business areas, and beautify our community, and

*Whereas,* trees, wherever they are planted, are a source of joy and spiritual renewal.

*Now, Therefore, I,* Roger W. Sheridan, Mayor of the City of Newborn, do hereby proclaim 1 March 2010 as

# Arbor Day

In the City of Newborn, and I urge all citizens to celebrate Arbor Day and to support efforts to protect our trees and woodlands, and

*Further,* I urge all citizens to plant trees to gladden the heart and promote the well-being of this and future generations.

*Dated this* First day of March  
Mayor Roger W. Sheridan
